The Verona High School Wrestling team has committed their community service project to raising funds towards Alzheimer's research, as this is a disease that is close to several members on our team. Therefore we are enlisting other teams and individuals to join our cause.

The team has designed a shirt to sell and will dedicate our match against Bloomfield for the “Match against Alzheimer’s” on Wednesday February 6 at 6pm in the VHS auxiliary gym. You may view the attachment order form and please forward all completed forms and checks to the Verona HS Athletic Office, c/o Gary Farishian, Director of Athletics.

See you at the match on February 6th.

Thank you for your support,

Gary Farishian CAA

GRAPPLING FOR A CURE

A MATCH AGAINST

ALZHEIMER'S

THEY MAY FORGET, BUT WE WILL NEVER

FRONT of T-shirt

Help the Varsity Wrestling Team in raising money for the Alzheimer's Foundation. This ugly disease is the sixth leading cause of death in the United States. It is a disease that takes away the best traits from loved ones and is in need of a cure. Those with Alzheimer's live an average of eight years after their symptoms become noticeable to others, but survival can range from four to twenty years depending on age and other health issues. It is our goal to help make a difference for this disease through the Grappling for a Cure match and the proceeds of the T-shirt sales. One of our upcoming matches will be dedicated as the match against Alzheimer's and we will like you to show your support by wearing the shirt the day of the match and at the match itself. Thanks for your support and with your help along with the wrestling community we hope we can make a difference.

Cost of shirt $12.00

Please fill out order form and put it in an envelope with the money for the shirt. All orders must be in by January 15th to Coach Morgenroth
