TOGETHER CHANGING LIVES

Give to the Strong Community Campaign

Thanks to the generosity of the community, we gave out over **$400,000** in financial assistance to residents of Bloomfield, Cedar Grove, Glen Ridge, Montclair and Verona.

We're here when the community needs us.

- **20% of families** with children in our Before and After Care programs receive assistance.
- Programs supported by donors touched the lives of more than **900 children** last year.
- Every month, **more than 70 adults/seniors** receive financial assistance to attend our Y.

When you say "yes" to us, we can say "yes" to them.
